CIRCULAR LETTER

NUMBER: 122/UN6.WR4/TU.00/2024

CONCERNING

CLIMATE CHANGE CONTROL ACTION PLAN
WITHIN UNIVERSITAS PADJADJARAN

Dear.

Pengelola Faculty/School/Work Unit Managers, Lectureres, Education Staff
within Universitas Padjadjaran

Following up on the Rector Regulation of Universtias Padjadjaran Number 13 of 2022 concerning Green Buildings within Universitas Padjadjaran, and as an effort to reduce carbon emissions to create a safe, comfortable, and orderly campus environment, Universitas Padjadjaran is committed to reducing the impact of climate change in the university environment. This commitment is realized through an action plan for all Faculty/School/Work Unit Managers, Lecturers, and Education Staff of Universitas Padjadjaran, which is implemented continuously starting from 2024 and consists of:

1. Reducing carbon emissions in the university environment through:
 - a. Using shuttle buses as a means of inter-campus transportation to replace private vehicles;
 - b. Restricting motorized vehicles entering the university and faculty environment;
 - c. Restricting the use of official vehicles;
 - d. Procuring electric bicycles as an alternative means of transportation;
 - e. Providing pedestrian areas for pedestrians;
 - f. Reducing the use of LPG by using Biogas.
2. Reducing energy use in the university environment through:
 - a. The obligation to turn off electronic equipment when finished using it;
 - b. Increasing the use of solar panel energy by 20% every year;
 - c. Reducing electricity use by 10% every year;
 - d. Promoting energy saving in the university environment and the community.
3. Providing green open spaces in the university environment through:
 - a. Procuring vertical gardens in every university building.
 - b. Creating campus forests;
 - c. Restricting tree logging for construction activities in the university and faculty environment;
 - d. Replanting in the event of tree logging for construction activities in the university and faculty environment.
4. Implementing Carbon Neutrality based on Greenhouse Gas Protocols from 2024 to 2029.
5. Committed to reducing Scope 1, 2, and 3 emissions.

This circular is hereby conveyed for your attention.

Bandung, January 15th, 2024
Vice Rector for Organization and Planning.

Prof. Drs. Yanyan Mochamad Yani, MAIR., Ph.D
