

## University's governing body have student representation

The Board of Trustees (MWA) of Universitas Padjadjaran is the highest governing body in a state university with legal entity (PTN-BH) such as Unpad. MWA functions as the policymaker and non-academic supervisor at the university level. The duties of MWA include determining the university's policy direction, approving long-term plans and annual budgets, and supervising the implementation of policies by the rector.

In its structure, MWA Unpad consists of various elements, including:

- The Minister (or their representative),
- The Rector,
- Representative of lecturers,
- Representative of educational staff,
- **Representative of students**, and
- Figures from the public or professionals from outside Unpad.

The student representative in MWA plays an important role in voicing the aspirations and interests of students in the university's strategic decision-making. They are selected through mechanisms determined by the university and act as a bridge between MWA and the student community.

MWA-WM terpilih 2024 dan seluruh bagian dari BK MWA-WM 2024 yaitu Sekretaris Jenderal, Kepala Bidang Kastrat, Kepala Bidang Humas dan Kepala Bidang Kominfo serta Staf Khusus terpilih BK MWA-WM 2024.
